

CORNING

# Get 480 Copper Jacks Free.

When you purchase two bulk packs (480 jacks per pack) of qualifying copper modules during May and June 2023, you will receive an additional bulk pack for free. To qualify for the offer, two packs (960 pieces) of the same part number must be bought in the same order to get the third identical pack (480 pieces) free of charge.

**Example:** Buy two packs of XF500006424 and get one pack of XF500006424 for free.

This promotion is not limited to one order but is only applicable if parts are ordered at the standard price. Parts ordered underspecial project pricing are excluded from this promotion.

Contact your local Corning sales representative to learn more.

Use the  
**Copper0523**  
promo code on  
your order and  
receive 480 jacks  
for free.

### Terms and Conditions

Discount promo code Copper0523 should be entered on the purchase orders (POs). The promotion starts May 14, 2023 and will end on June 30, 2023. Only POs sent and invoiced during this time will be eligible for the promotion. Any request for free items prior to May 14, as well any requests received after June 30, cannot be considered. All orders must be placed before June 30, with a requested delivery date no later than August 31, 2023. All items will be shipped to one distributor location. Additional cost will apply for shipments to end customer location. This promotion is not open to federal, state, or local government and hospital officials or representatives. Taxes, if any, are under the sole responsibility of the customer. Corning is not responsible or liable for any technical, hardware, software, server, website, or other failures or damages of any kind which may prevent or obstruct the customer from participating in the promotion. Returns will only be accepted regarding manufacturing quality issues and/or damaged packaging. Lead times are subject to availability.
